Okay bitches, are you ready? It's me, Dana DeArmond, dot cum sinsation, porn unicorn and xxxtremely dirty girl here to guide you through the second-ever issue of FOX XXXXTREME. And boy is this one a prick pulling doozy, packed full of such a dizzying array of cooze it defies description. Inside this very mag are so many off-the-wall sex antics performed by scores of the industry's randiest and raunchiest whores that you're gonna get right the fuck off. Are your balls aching in anticipation? They should be. Let me give you a teeny taste of what's waiting for you inside: the outrageous Kelly Fuckin' Wells giving herself the finger, a steamy family affair featuring the Vaughns, little ole me diddling my dung hole and a whole slew of on-the-set pieces that put you so close to the action you can smell it. I know exactly what's in store for you, you lucky little horndog. You will devour every filthy fucking page, then you will jerk yourself off!

KELLY FUCKIN' WELLS!

Girl next door with a kick Kelly Wells never shies away from spending time alone. Although her thorough enjoyment of the company of others can be seen in any one of the multitude of XXX movies she's made, Kelly has gone on record saying her scant solo time is something she cherishes. And she wastes not a single one of those precious moments wondering what to do with herself—this raunchy Goddess of Gonzo always has a specific plan for her privates. Following a flurry of filming, she'd been yearning for a free day to play during which she could duck all the dicking and hole up in order to get back in touch with her innermost feelings, no-frills. She wanted nothing more than to get naked and climb into her easiest chair where could satisfy her deep urge for some special "Me Time" by deftly fingering her fuck holes. Well, Kelly now has her chance. **PHOTOGRAPHY BY MATRIX HD**

Cougars 3

ANABOLIC www.anabolic.com

DIRECTED BY: TONY T

SLUTS AND PUPPETS:

**DAKODA BROOKES, VIOLET
ADDAMSON, HOLLY HALSTON,
JOHN STRONG, TONY T,
STEVEN FRENCH**

25089

DAKODA BROOKES: "I'm on the BTS and I'm actually going to be the girl that's in every scene. I love cock but this is mostly for the MILFs. I'm just there to shove the cock in them and stuff."

HOLLY HALSTON: "I'm actually from North Hollywood but I've lived in Florida for the last 8 years. I love it. It's my home and I couldn't imagine living anywhere else. This is like my 650th scene. I call it my 'clock.' It's not a cock and it's not a clit—it's a CLOCK!"

TONY T: "The Cougars series is about the MILFS. At Anabolic, to keep the integrity of the movie the girls have to be over thirty. They won't shoot any girl under thirty. I wanted to do this movie a little different. Dakota Brookes is like nineteen but she loves MILFs. I told her that I was going to make this whole movie about her, where she could go and pick the girls that she wants and she's the one who is pretty much going to be playing with all of the girls in every scene. She's gonna walk into every scene and start playing. It's going to come off pretty good."

TONY T: "We're shooting two scenes today. The first scene is with me, John Strong and Holly Halston, and the second scene is with Violet and Steve French. They're separate but connected at the same time because Dakota is going to take each one of the girls and walk into their scene. She's going to play with the chicks and all that. Maybe at the end of the movie we might give her a strap-on and let her fuck someone."

After the pretty girls are shot Holly Halston starts warming up John Strong with an off-camera BJ. He pulls her panties aside and they start fucking in standing doggie. Director Tony T is somewhere in the back of the house at this point and Anabolic director extraordinaire Ivan, who today is shooting camera, is hanging out in the kitchen. The panties come off and Holly Halston's state of arousal is not cast into question as an absolutely magnificently erect, king-sized clit roars it's way out from under her clitoral hood. This works for me because I am a MAJOR clit fan. There is sexual novelty value here. The fact that the clit has more nerves than your cock and can range as greatly in size suggests that a larger than average panic button is to be regarded with particular admiration and respect. This is awesome!

Dakota and Violet Addamson show up and join in. Where the fuck is the video camera? Where the fuck is the director? There is sex going on here, folks! Tony T finally makes his entrance, gets naked and Ivan starts shooting the actual three-way on a brown divan in a corner. Dakota assumes her non-sex role as the cougar enabler. In my skewed field of vision, Holly's muscular clit remains front and center. Violet decides to leave her shoes on. She looks, talks and acts like the swinger that she admits to being. Swingers come to porn, rather than the other way around. It's just the next logical step in a naturally exhibitionistic lifestyle. Uncharacteristically enough, the money is just another advantage rather than the ultimate objective. She'd be doing this anyway. This shit is for real.

VIOLET ADDAMSON: "Now if you're over twenty-seven you're a MILF. I just played a cougar too. I'm originally from Minnesota. I'm a swinger so I like EVERYTHING. I think that if there are girls in this industry that don't like girls then they probably shouldn't be in this industry." 🐱

(10/1/2008--Sepulveda/North Hills CA) Jim Powers' Ami Emerson-starring cum-omelette eating AMERICAN GOKKUN 8 shoot for JM Productions was interrupted this Wednesday evening by an armed gunman who robbed the production at gunpoint. Just before the motley crop of male talent dropped trou and loads, production manager Johnny Thrust burst onto the San Fernando Valley sound stage, shouting, "I just got fucking robbed! They put a gun to my head!" Thrust described the gunman as a light-skinned black man wearing a Los Angeles Dodgers jacket over a Kevlar vest. The reported take was \$3,750.

American Gokkun 8

JM PRODUCTIONS www.jerkoffzone.com

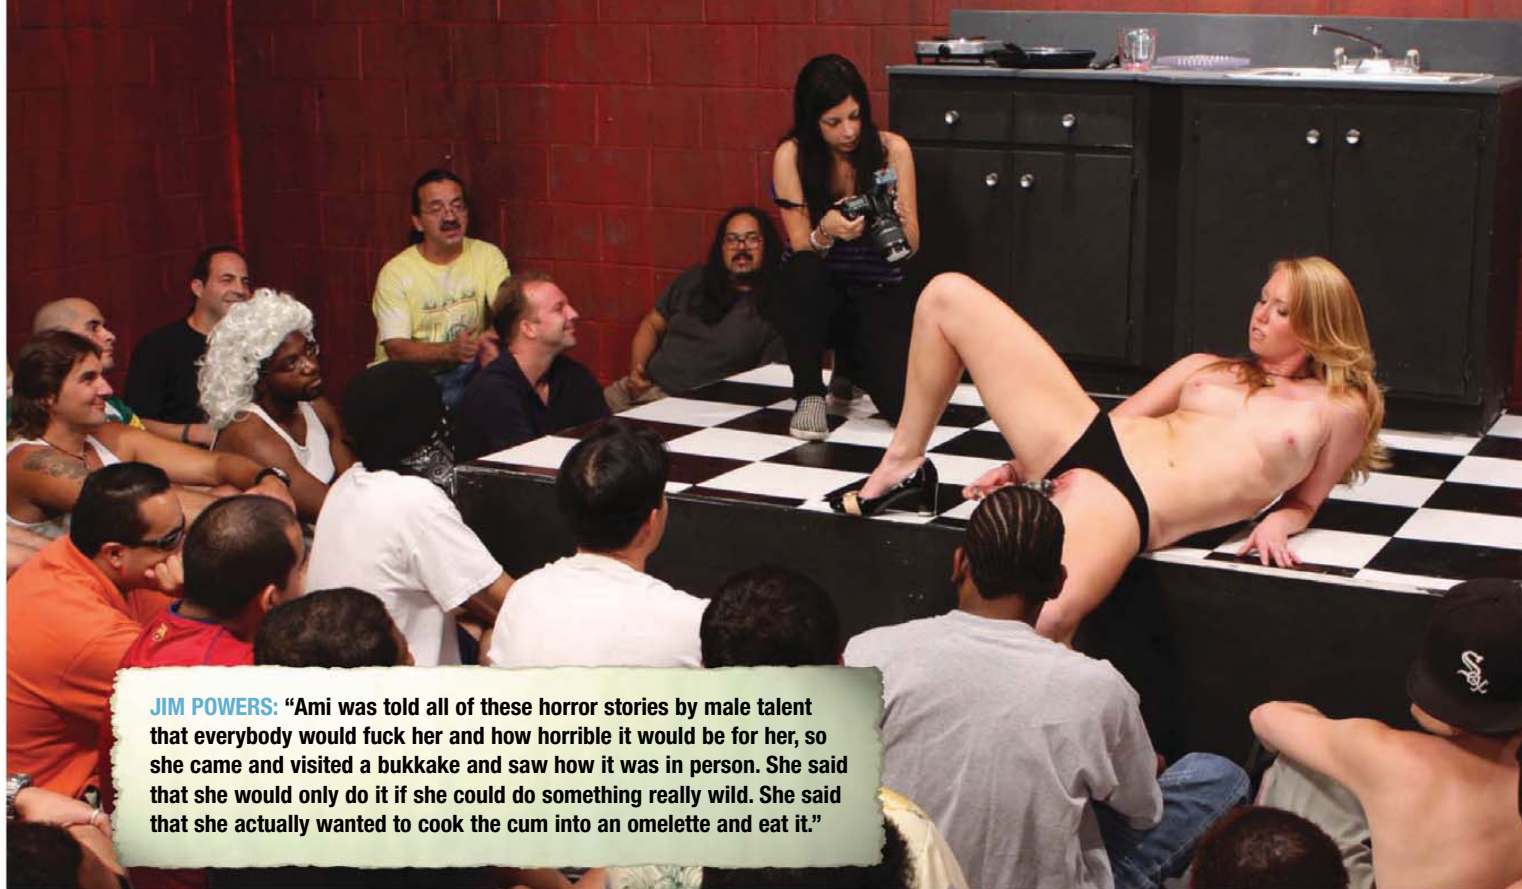

DIRECTED BY: JIM POWERS

SLUTS AND PUPPETS: AMI

EMERSON, TOO MANY MOPES,

ONE ARMED ROBBER 25090

AMI EMERSON: "I fantasize about lots of guys and lots of cum, so this is really exciting. I wanted to do it. I was at the same location as they were one day and Johnny (Thrust) asked me if I liked cum and I said yes and he said, "How much do you like it?" And I said I like lots and lots and lots. He was like, "WE'VE GOT THE JOB FOR YOU!"

JIM POWERS: "Ami was told all of these horror stories by male talent that everybody would fuck her and how horrible it would be for her, so she came and visited a bukkake and saw how it was in person. She said that she would only do it if she could do something really wild. She said that she actually wanted to cook the cum into an omelette and eat it."

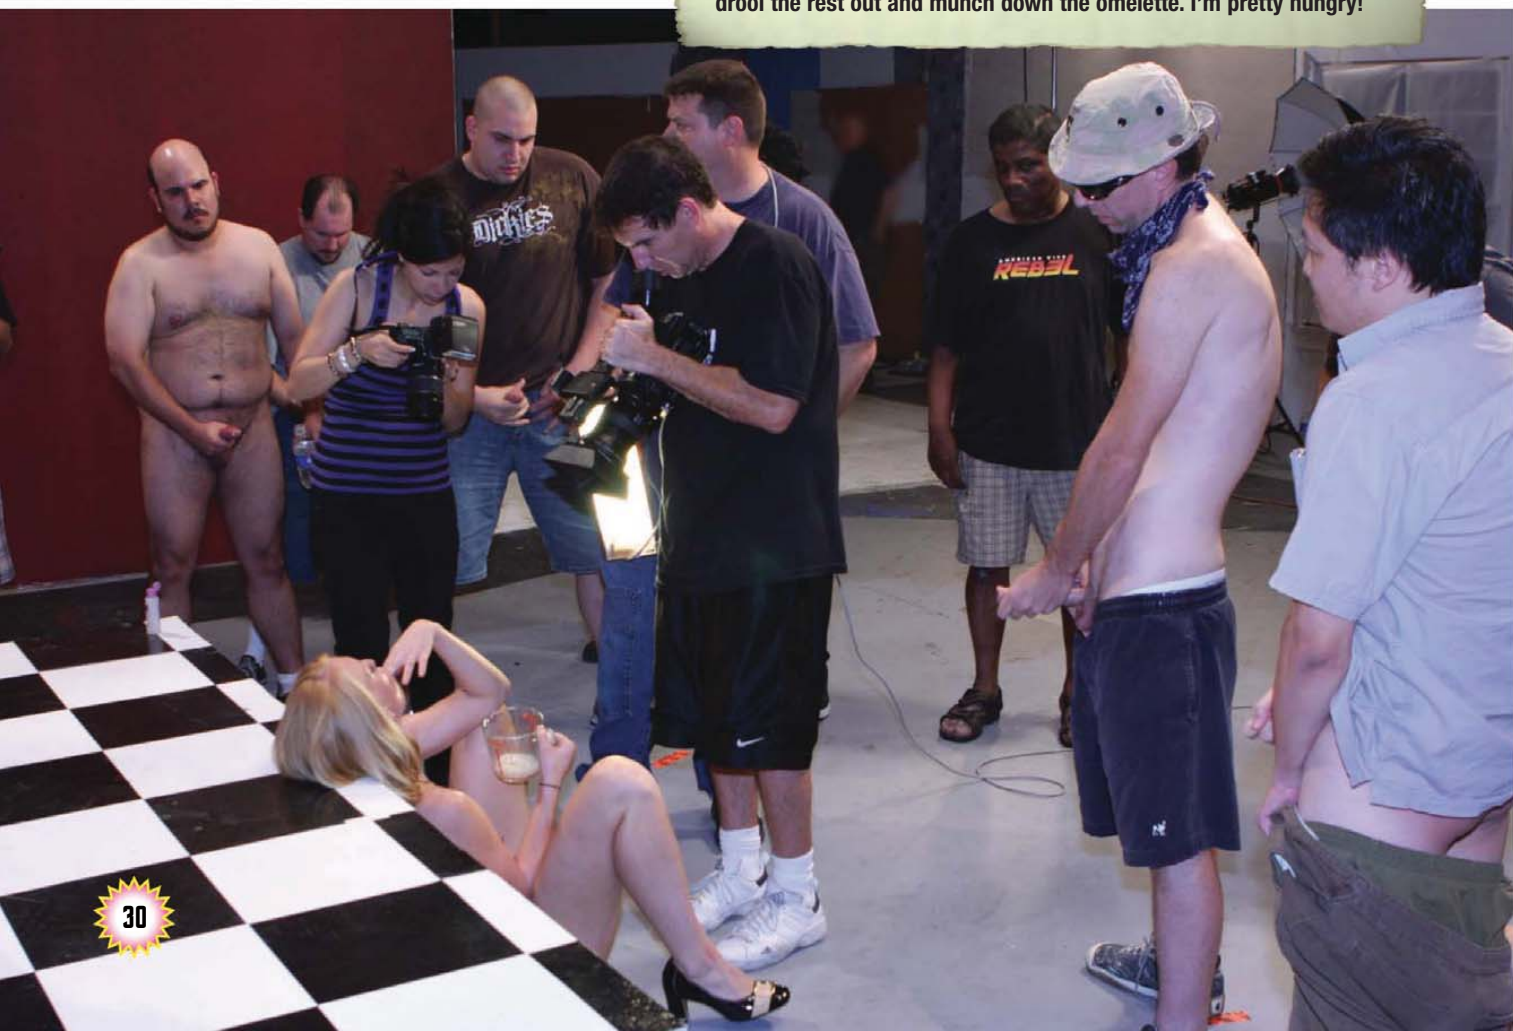

JIM: "She is just going to basically masturbate for them. Then all the guys are going to cum in her mouth and she's going to be drooling it into a cup. Gokkun is just a swallowing version of bukkake. We try to keep it very regimented. The guys come up to her two at a time, one from each side, and shoot their loads into her mouth. She'll deposit them into the measuring cup. They'll probably cum rush her a little bit at the beginning, but we try to keep them coming from the side so we can see it."

AMI: "I needed a better story for the kinkiest thing that I've ever done, and this sounded like a good idea. I'm not going to touch the guys, I might swallow a little bit depending on how my measuring cup is because I don't want too big of an omelette. I'll swallow some and drool the rest out and munch down the omelette. I'm pretty hungry!"

JIM: "In a perfect world they would cum one right after the other like an army of ants, but they're just not as disciplined as well as they are in Japan. The Japanese actually have bukkake camps that youths can go to. The bukkake slave camps were infamous during WWII. They were capturing the Chinese and were running them through these camps. That's why there are such problems with the Chinese and the Japanese to this day, because of the bukkake internment camps."

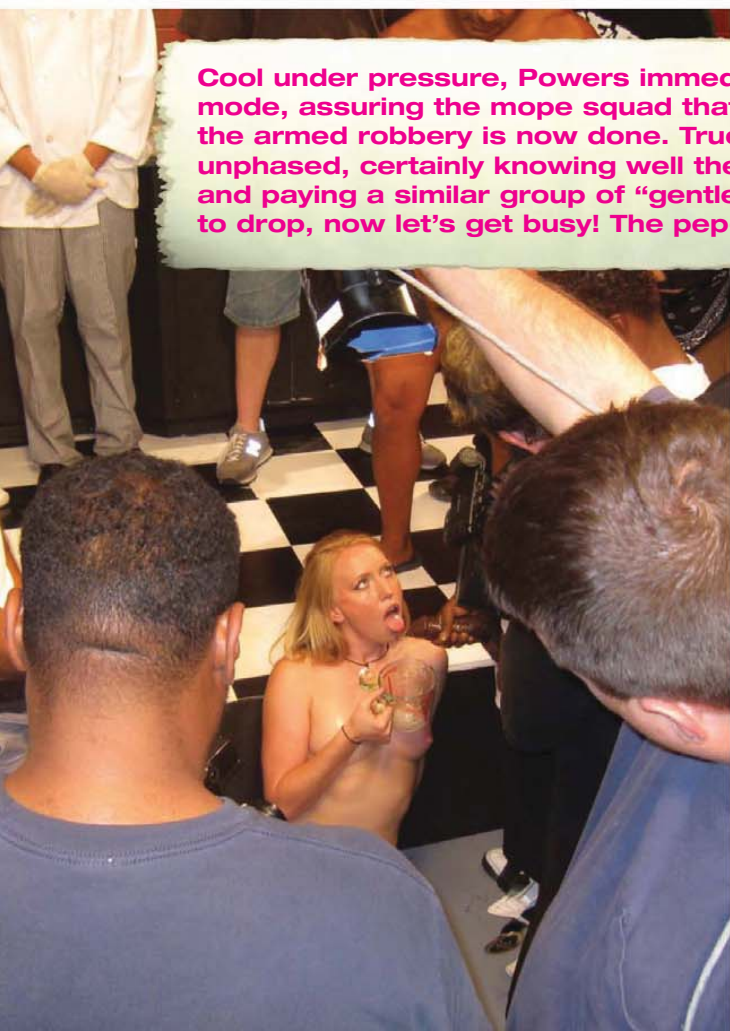

At the exact moment that Powers begins shooting the entire mope squad with arms outstretched in salutation to Ami Emerson, production manager Johnny Thrust bounds through the stound stage door screaming, "I just got fucking robbed! They put a gun to my head!"

JOHNNY THRUST: "Some fiend robbed our poor bukkake. Our bukkake guys got robbed, basically. The guy walked in and I didn't even see him because my head was down in the paper work. He stuck a Ruger semi-auto 9mm to my head—I know my guns—and told me, 'Don't fuck around, Give me the fucking money.'"

JIM: "Dan, you're going to come walking in like a chef. You know how chefs act. Don't you ever watch *Hell's Kitchen*? We're going to try cooking pure cum. The cum is going in straight without any eggs or anything."

Cool under pressure, Powers immediately moves into damage control mode, assuring the mope squad that there is nothing to fear because the armed robbery is now done. True to form, Powers seems completely unphased, certainly knowing well the hassle of re-organizing, certifying and paying a similar group of "gentlemen" at a later date. There are loads to drop, now let's get busy! The pep-talk worked. **THE SHOW MUST GO ON!**

Porno Dan is decked out in what looks like a Chef Boyardee outfit. A long, arduous process ensues. The original plan of presenting the miscellaneous loads of vagrant sperm in omelette form must be scrapped. It turns out that a measuring cup full of jizz doesn't seem to cook fast enough to make an omelette. Who knew? It is decided that a simple cum-scramble will have to suffice. It still takes forever.

AMI: "Guys are like so grossed out. Everyone was so grossed out when I told them. I don't want to gross everyone out, but who am I doing this for? ME! My motto from the get-go has been to do what's fun and do what you want to do. Do what you love and have fun with it. I was hoping that it would be more of a turn-on to people, but usually it's just grossing them out. It tasted totally weird. I didn't like the consistency as much as straight out of the cock but it was nice to try. It tasted like curdled cum. I'm happy. I'm glad I did it. My favorite was all of the guys cumming... more and more and more guys. That was awesome. Eating it? That was totally weird. I would tell my friends to do it only if they like lots and lots of cum." 🐱

Ami Emerson fearlessly holds up her end of the deal by taking her time consuming the pan of curdled ejaculate. At this point in time there is no other human on the face of the earth slowly eating, with a fork, a laboriously scrambled measuring cup made up of loads of man-gravy. Then again, maybe not. I've been surprised before.

ALEXIS BREEZ: "I'm twenty-eight. Before porn I was a pharmacy technician for seven years. I got fired from my job and I went into stripping. In 2003 I got into the industry because of a very good friend of mine, Ice La Fox. I got out because I got into a relationship and then I had two kids. I wanted to come back too for the fame and I wanted to get into modeling. I want to be famous and be known hopefully and maybe get rich. If everything goes well then I'll just do this for the meantime. If not, I'm planning to go back to school, but if I'm too busy and everything goes well for me, then I'm going to stay in the industry for good."

Young Tight Latinas 16

RED LIGHT DISTRICT www.clubredlight.com

DIRECTED BY: MARK WOOD

SLUTS AND PUPPETS:

ALEXIS BREEZ, MARK WOOD

25087

MARK WOOD: This is called *Young Tight Latinas 16*. They're young, they're tight, they're Latinas! That booty looks amazing!

FOX: You have two young, tight Latinas in the room right now.

MARK: (pointing at wife Francesca Lé) I wouldn't say young right here!

FRANCESCA: Real tight, but I don't know about young.

ALEXIS: "I'm doing this because I'm single again and I don't have to worry about anybody being on me about it. The money is good. The industry is fun. You get to meet a lot of new people and it helps your fame and stuff, to see if you're going to get somewhere if they really like you. I'm a very sexual person. I love to ride. I have more control and I can satisfy myself more like that. I think it's really sexy being on top and I can control my orgasm more. You're in control. The guy is not in control."

MARK: "What? Is she Latin? Nobody told me! I thought she was Italian or Sicilian! 'Young Tight Sicilians' just doesn't have the same ring to it. It would be tough to cast that one. I work for an advertising firm or a PR firm and she's come in to be a car model for like a print ad or a commercial. It's the audition. It's really a stretch for porn! We're really pushing the boundaries of acting here! In the end she actually gets the job! If I lick your ass, don't freak out. It's a sign of affection."

ALEXIS: "When I do a scene with a real hot guy I think I can sometimes have an orgasm, but I think it's more private and a more intimate thing, like something you do with your husband or boyfriend. So I'm pretty much just getting boned. Okay, let's go! Don't get me wrong. It's fun and sometimes I get my little moments where I'm like, WOW!. It also depends on if the person you're working with knows what they're doing. Sometimes the guy will get too excited and they'll just want to fuck the shit out of you and you're just like, OK! Personally I've only fucked like seven guys. In the industry I don't even remember. I don't count."

MARK: "She fucks great. She fucks like a mynx. Another successful day of pornography."

ALEXIS: "When I was in the industry before my family found out about it and they're really judgemental. They were really putting me down because I had kids and were saying, 'You can do better than that!' and 'You're a whore!' and stuff like that. I'm the kind of person who tries not to pay attention what people have to say, and it's not like they're feeding me and or paying my rent so I'm like, 'Say whatever the hell you want!' I told my agent that honestly what I want is the fame. I would like to eventually get rich off of this of course, but maybe boost my fame and eventually do more modeling than porn in like lowrider magazines and sex magazines. Kind of like Kim Kardashian. I want to be KNOWN!" 🐱

BUSTY HOUSEWIVES

ELEGANT ANGEL

RUNNING TIME: 142 minutes

DIRECTED BY: William H.

SLUTS: Angelina Valentine, Priya Rai, Claire Dames, Carmella Bing, Gianna Michaels

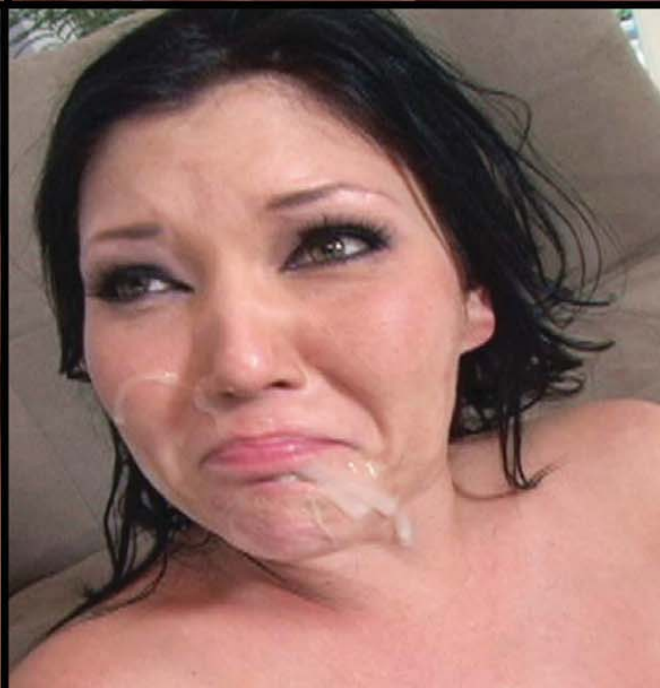

According to tradition, every woman's goal in life is marital bliss. They want to start families and cook a lot and knit sweaters and stuff, or so the story goes. But whores...

I mean women...get married for a totally different reason, and that's to have as much sex as possible morning, noon and night. Some chicks just need to be chockfull of cock, and they figure nabbing some poor sap will guarantee them satisfaction. But, poor things, most who get hitched for the humping are bound to be disappointed. For a lot of guys, constant cock-cramming can be a hard order to fill, so the breastfully blessed bimbos in *Busty Housewives* are looking for an order of hard cock to fill them.

Take for instance Angelina Valentine, who's so bored without a boner that she lures the repairman into her bathroom to fix the bath temperature. Of course, it's not the plumbing that needs fixed—it's her fuck-hole that needs to be plumbed, and with her husband away, she uses Mick Blue as a pussy thermometer.

Next, Priya Rai gets snubbed by her hubby, who goes on a business trip instead of taking her to dinner. So Priya takes a trip of her own on her neighbor's cock when he comes around to ask her to turn the music down. Instead, he gets turned on when she asks him to slather some tanning oil on her back, and he ends up slathering some baby batter on her married mammaries.

Up next is Claire Dames, who doesn't get enough attention from her husband's solo schlong. When he's called away from his softball team's victory celebration, Claire gets into the double-team spirit. The three-way that ensues isn't the most creative you'll ever see, but watching Dames's buttery body bouncing around is worth a wad or two, at least.

Carmella Bing is everyone's worst nightmare and wildest fantasy rolled up into one preposterously stacked package. She calls a cop to investigate a fake break-in, hoping to get him to break into her backdoor. When Officer Alec Night shows up to investigate, she feeds him some drugged coffee, and when he comes to, he's about to cum in her mouth! In the end, Carmella gets what she wants—a front and rear-door entry, followed up by a smearing of evidence on her titanic tits.

Gianna Michaels, one of our favorite fuck-fiends, finishes a stellar lineup with her legendary, all-natural lumps. She's accosted by her neighbor, Manuel Ferrara, who assures her that since her husband is at work and his wife doesn't mind, they should "play a little bit." It takes some convincing, since Gianna is obviously a dutiful wife, but sometimes dicks outweigh duty for a true whore. These two fly into a fuck-fest so hot it ends in a spectacular eight-rope finale from Ferrara.

The moral of the story, dirtbags, is that if you marry a set of C cups or bigger, be aware that you might be expected to sex her up constantly. If you're not up to the task, don't be surprised if you come home to find someone cumming in her holes. We'd recommend bypassing the whole mess and sticking to our humble magazine and DVDs like this one to avoid sticky situations at home.

GAPEMAN 2

EVIL ANGEL

RUNNING TIME: 223 minutes

DIRECTED BY: Brian Pumper

SLUTS: Britney Stevens, Ashley Blue, Emma Heart, Melissa Lauren, Madison Young, Aurora Snow, Alicia

In the illustrious tradition of porn directors naming themselves like superheroes (i.e., Buttman, Pussyman, Assman, etc.) we have Brian Pumper in the guise of the "Gapeman." It seems that Mr. Pumper also fancies himself a comedian, as well as a rapper (we'll get to that part later)... so Gapeman speaks, and raps, in a bizarre Jamaican/Russian accent that's as phony as the seven pounds of glittering cubic zirconia bling he wears in his videos. Yes, his music videos.

First, the sex. *Gapeman 2* will appeal to fans of Pumper's "street nigga" schtick (all four of them) and, more importantly, those who like to see white girls' buttocks messed up. Make no mistake: This is some fucked up shit. Severe anal gapage that falls somewhere between the result of a bad assfucking and something you'd see in some surgical documentary on TV's Learning Channel. In some cases, we're talking about rectal prolapse, girls with their actual insides peeking out like curious aliens.

Let's pause for a moment. When you read that last paragraph, with the colorful description of lower-bowel havoc, did your dick get hard? Or did it make you nauseous? If you can admit to yourself that you are turned on by porno bitches exposing their pretty guts for all to see, then you are probably the target market for what Brian Pumper is selling. Good lord, is this what we've come to?

"I'm deh Gapeman. I come to cause mass ass destruction and create big hole," Pumper states in his opening rap, to a plodding, one-piano-note backing track. The tightly edited intro shows us the musclebound, steroidal porn stud in all sorts of 1990s-style rap outfits, standing beside alley dumpsters, looking angry and confused. Clips from the upcoming video are spliced in, showing Gapeman sniffing assholes as girls hold their cheeks apart, and gory closeups of their ruined anuses.

It's difficult to tell when Pumper

thinks he's being funny. When his Jamaican accent disappears, which it sporadically does, he seems to be taking himself deadly serious. Often, in the middle of drilling some chick's cornhole, we suddenly pan to Pumper's face and he starts making slack-jawed, bug-eyed grimaces into the camera like he's about to have a stroke. The cameraman lingers on Pumper's goofy expressions like he's De Niro breaking the fourth wall.

Voluptuous but dopey Britney Stevens is wearing a stripper/firewoman costume like you'd see on Halloween, with booty shorts that read "LAFD." She enters a Cali mansion looking for a fire to put out, but instead, the hot zone is between her ample asscheeks. "Fucking ridiculous," she rightly declares, then locates various objects and dildos and sticks them in her hungry butt-hole. Sometimes Britney talks to the camera as if she knows it's a movie; other times, she pretends she's alone. However, the giant ass-wrecking butt toys are as real as can be, and in no time we're glimpsing a part of Britney that even her proctologist probably shies away from. Brian emerges from a closet, petulantly jacking his cock, and they continue the anal atrocities with ATM and more assfucking.

The scenes following have similarly queer setups. Ashley Blue is a nurse who finds Gapeman on the floor of his garage. The anal veteran seems to be mocking the director through the entire scene, asking Pumper "What island are you from?" when he talks in his weird Rusky coconut voice. Ashley gives up her back hole with professional courtesy, though, stretching it wide open for his clowny pleasure. Pretty gaper Aurora Snow portrays a stewardess who gets her asshole reamed open and takes a facial. Madison Young and Melissa Lauren team up on ol' Gapeman for foot worship, assplay and interracial cock-sucking. There's cute-assed Emma Heart, too. And gaping—lots of gaping. At least you can't accuse this guy of false advertising.

ANAL PROSTITUTES ON VIDEO 6

JULES JORDAN VIDEO

RUNNING TIME: 282 minutes

DIRECTED BY: Erik Everhard

SLUTS: Emma Heart, Melissa Lauren, Bobbi Starr, Holly West, Riley Evans, Missy Stone

Holly West and Bobbi Starr are my two favorite people in the entire world. Oh, I'm not dismissing the other girls in the film as nothing more than slack sphincters; they all know their business and have the bodies to back it up, I'll give them that. Riley Evans (Whose breasts are definitely bigger than her brain. I mean, there's just no way anything the size of those mammoth baby pillows could ever fit inside that pretty little skull; but hey, who needs brains when you've got knockers that would impress King Kong?) is especially good as the sexy topless nurse who knows that a convalescent leave deep inside her rectum is exactly what her patient needs.

The sexy nurse is a great fantasy, one we've all dirtied a towel or twenty over. But it's almost cliché; a sexy nurse with her boobs hanging out and her asshole just begging to be dilated has been a staple in the spank bank since dad was thirteen. Riley Evans does a great rendition, but it's nothing to write to mother about, you know? Holly West, on the other hand, has earned a place of honor on my whack-off wall of fame because she introduced me to a wholly new wild sexual fantasy: the erotic real estate deal. Now, I know what your

thinking: something along the lines of, "Max, that's ridiculous, and it's not doing wonders for my boner. In fact, I think my dick tried to crawl up my asshole when you said real estate. What the fuck, man!" But just think about it for a second. Sexy real estate; every house in Porno Land is a fucking mansion, and every mansion is for sale by owner, who just happens to be a lonely, nubile young woman, always wet between the legs and dressed in nothing but a silky teddy. The tour always starts next to the pool, heads downstairs to the stripper pole, and winds up with a hands on exploration of the previous owner's lower intestines.

Now, I've always been in love with Bobbi Starr, but this movie really put her over the top for me. No new fantasy scenarios here; just straightforward sexual frolicking. What really makes this scene spectacular, the thing that is going to grab you by your nuts and make a big mess all over those sheets your mom just ironed, is the point of view shot of Bobbi waking up her cock jockey, oh so sweetly, and begging him for sex. I don't know if any of you have ever had the experience of a beautiful naked woman waking you from a dead sleep and begging for cock (if you have, and you want to experience it again, I suggest you not let her see you reading this magazine), but Bobbi's soft voice and big eyes were damn near enough to get me off by themselves, even without the hour of hardcore assfucking that follows. I had always known that Bobbi Starr was freakier than her rivals in the porn whore business, but Jules Jordan has convinced me once and for all that this girl is simply hotter, sexier, and more fun to watch naked than literally anybody else working today.

FUCKED UP HANDJOBS #4

PARIAH PICTURES

RUNNING TIME: 95 minutes

SLUTS: Jessica Bangkok, Kenzi Marie, Mason Moore, Veronica Rayne, Britney Amber, Morgan Layne

Honestly, gents, it's easy to fuck up a handjob. It's so easy that everyone has a horror story—like the time your friend was jerked off in a dark theater by the stranger next to him with the soft hands, only to discover when the lights came up that it was a big, sweaty, bearded lumberjack. Or the time your brother went to dinner with his girlfriend's parents, and her mom started tugging on him under the table. Or the time you got caught masturbating in the janitor's closet by the grossest girl in school and she finished the job for you with her big fat warty hands... Really, when you think about it, there are so many opportunities for awkwardness to creep in during a wank session that it's actually more likely for a hand job to be fucked up than fabulous. And that's okay, really—they still get us off, right? And since they do, why not admit that the fucked ones up can be the most fun?

And hell, if you're going to enjoy a fucked-up wrist-flicking, you might as well go whole hog, gentlemen. We don't do things half-assed around here when it comes to cumming, and we figure if something is worth cumming to, it's worth watching the right thing: a DVD so jam-packed with fucked-up sluts it'll make you burst. And that would be: *Fucked Up Hand Jobs #4*.

Take our first stop in this tour of torture, Jessica Bangkok; she's a saccharine-sweet Asian massage mistress whose grasp of her clients' dicks is a lot better her grasp of the English language. She loves happy endings, but when one ending doesn't come quick enough, she's gets

unhappy. Frustrated that her arm is going numb with nubbin knocking, she finally loses her accent and takes control, slapping and biting, screaming and squeezing until she gets her way with his wang.

Mason Moore is learning to treat a man like a dog, and she apparently treats her dogs to hand jobs. Fucking weird. But then again, dogs lick and bite themselves down there sometimes, and good dogs do deserve treats when they're good, so why not? And Mason is a treat to watch with her bonanza of breast meat and a buffet of tricks up her sleeve. Anyway, on to Kenzi Marie, whose boss isn't very good at controlling his employees. When he calls her into his office to fire her, she decides to take control instead. Even if you're not into masochism, Kenzi is so good at what she does that she'll have your dong doing a headstand. Morgan Layne shows up next in a scene that shows she's new to the business, but not to hand jobs, then Veronica Rayne nearly breaks her boyfriend's dick off to keep him from breaking things off with her in a perverted scene that will give you a new respect for the old phrase, "Hell hath no fury like a woman in porn."

Britney Amber rounds out the raunch-fest by jerking off a dirty hobo in a scene that's surprisingly sexy for a jerk job. So sexy, in fact, that her stunt dick performs double its normal spew duty—and I bet yours will, too. All in all, we all know hand jobs have their drawbacks, but they're one thing on the menu that we all need to order from time to time. Like a bloody steak that's a little too rare, they can be scary, maybe even overwhelming, but sometimes you've got to have one. So take the plunge and go all-out; get the 32-ounce bloody slab, slather it in barbecue sauce, and beat one out to the latest *Fucked Up Hand Jobs*.

Dana DeArmond

Just because she's the internet's girlfriend doesn't mean that Dana DeArmond doesn't like to flick the old bean every now and again. Especially when she's got a sturdy stalk to climb on. When a girl like Dana becomes addicted to being boned in the butt she starts to need it all the time. Not a single day can go by without her getting some sort of ass action, be it from a friend or a finger or a thick plastic prick. She holds out for as long as she can, but eventually her jones to be poked in the pooper grows so strong that she can't help but hijack some sort of hard hot rod to drive up her hershey highway. For the moment Dana is managing her cravings to be cornholed, but they threaten to spin out of control at any moment. This girl really needs to be anal-ized.

CUCKOLD MILE'S 4

CHATSWORTH PICTURES

RUNNING TIME: 108 minutes

DIRECTED BY: Grip and Cram Johnson

SLUTS: Vannah Sterling, Desi Foxx, RayVeness, Jessica Bangkok, Kirra Lynne, Niki Vonn

Anyone out there have a car you really love? One you got when you were a kid and took care of for years, a car that served you faithfully, the Tonto to your Lone Ranger? What would you do to get your baby back from a car jacker? Would you invite him home and introduce your better half? Would you let him dive balls deep into your wife's most private of orifices, let him fuck her face and cum in her pussy and rub his baby batter into her asshole? Sounds a little extreme, maybe, but you gotta remember that this is a *great* car.

If you aren't married, you might imagine married life as a sexual wonderland. You put a ring on it; now that ass is yours, right? You get to have sex seven nights a week, and she's probably going to let you do all that crazy shit you've read about in *FOX*, right? Maybe. I mean, it happens; Pam Anderson is married, and so are some porn stars and supermodels, and even lotsa hookers. That's gotta be fun. But for most of the world, marriage isn't all that, not in the sex department. See, she doesn't have to work for it anymore either. She put a ring on you and your dick is hers, even when she gains fifty pounds and her

sagging teats start scraping the dirt off that kitchen floor she never cleans. If you're lucky you end up as celibate as a Franciscan; if not you have to fuck the noisome cow every night for the rest of your life, that bitch and nobody else, until the boredom kills you.

So what do you do in this unfortunate situation? Grip and Cram Johnson think the best route is to start fucking teens and hot prostitutes. That sounds great on paper, but we aren't talking about real marriages here, we're talking about pornography, and in hardcore porn everything good gets a thousand times better. The "old worn-out bitches" in this movie are anything but. Oh, their tits sag a bit, but that's because they're huge, not because they're worn out. The same is true of those vertical smiles; like good wine, they seem to have improved with age. I would be all over Desi Foxx or Jessica Bangkok in a second, and if I were married to one of these cock crazed freaks I don't think I'd need streetwalkers. But again, in porn everything works out for the best. Desi and Jessica might be pissed when they walk in on their husbands' extra-marital activities, but pretty soon they've got their titties swinging and their mouths full of man meat, working the pole right alongside their replacements. An affair might offer a little satisfaction; a porno affair, chock full of hilariously bad porn acting and dirty cumshots, is an experience not to be missed.

MADE IN XSPAIN

EVIL ANGEL

RUNNING TIME: 145 minutes

DIRECTED BY: Nacho Vidal

SLUTS: Laura Row, Irina Vega, Jessica Blue, Laura Blume, Silvia Rubi, Michelle

Spanish fuck stud Nacho Vidal is famous the world over for his fierce sexual energy, the strange and frightening grimaces he makes when making love, and his enormous prick that seems to have the circumference of a soda can. Vidal's also made a name in the past decade through a series of transsexual videos he directs, starring many creepy-looking she-males and a variety of horny Brazilian mooks. And Nacho has even directed at least one gay video (carefully staying behind the camera, natch). For this flick, he's going strictly hetero with a real female cast made up of six or seven delectable hotties who all hail from Spain, Nacho's homeland.

The entirety of *Made in Xspaña* was shot in interchangeable rooms of the same Barcelona hotel. Nacho starts the festivities by introducing a guy who sells some sort of giant padded recliner/fucking apparatus, which is used to mount a dildo or vibrator, then rhythmically thrusts into whatever orifice you happen to be too lazy to penetrate in the old-fashioned way. (Speaking of old-fashioned, this video contains almost no anal sex, unless you count Nacho jamming his eager tongue into a girl's pucker. Depending upon your porno preferences, this distinct lack of cornholing—save about two minutes of DP in the first scene—makes the movie either refreshingly unpretentious or totally worthless.)

Anyhow, the guys encounter a superfine little bit of Spanish jailbait in light-haired Laura Row. She gets fucked thoroughly by the demonstration couch/machine, and then goes to work on their two huge cocks, which she deepthroats quite admirably. They pump young Laura in her every orifice and jack off on her face. In the second scene, Nacho is knocking at the door of his photographer pal and babbling nonsense to the camera. "These Spanish girls... they have better than Brazilian, or worse than Brazilian? Anyways... let's check it out!" He enters to find a shoot in progress with Michelle, a tight, black-haired, wisecracking latina in a fishnet bodysuit.

The sultry bitch kneels to swallow Vidal's meat, lick his balls and jack his shaft. Vidal reciprocates and plows her cunt in a standing doggy stance, then bones her on the bed. Michelle rides his pole like a fuck-starved vaquera until the brutish Nacho sprays cum on her ass.

Next is Laura Blume, a fiery, big-boobed blonde in knee-high pink boots who spends a while buzzing her twat with a vibrator before Nacho enters the frame and fills her throat with his cock. The two of them experiment at multiple positions for ramming Laura's pussy with Nacho's veiny chorizo. There's a good deal of intensive face-fucking toward the end, Laura using her talented tonsils to coax out Nacho's sperm.

Cut to Nacho vamping another retarded monologue in front of another hotel room door. This time we find Jessica Blue, a dark-haired honey in a lacey nylon bodysuit. (What is it with those bodysuits, anyhow? It's like everyone in Barcelona shops at the same stripper store.) Vidal drapes the young lady over a chair and plugs her pussy hole, then allows Jessica to give him some slow head before humping her on the mattress. She strokes his cock until he shoots off.

The next scene is a real bait-and-switch, as Vidal introduces Nelia, a stunningly pretty, dyed-red punkette, there to observe a photo shoot for the first time. They meet today's model—sexy, and randomly tattooed, Silvia Rubi—and Nacho commands Nelia to sit and be quiet... which she does, leaving after a few minutes. Whoa, pardner. This violates the unspoken compact: You don't show us a sexy girl who we're not going to eventually see having sex, or even taking off her clothes! Why would you do that, Nacho? It is an abomination. Fortunately, the rest of the scene is quite good, with Nacho aggressively and wetly finger-banging the seated Silvia, feeding her his meat, and lapping her pretty pussy in a 69 on the floor. They are joined by Irina Vega, a hot brunette in a hokey fetish maid's costume, toting the big drilling machine again, which Nacho uses on Silvia while she slurps Irina's snatch. After various three-way entanglements, Irina squats over Silvia's face and jacks Nacho's cock to completion.

JULES JORDAN VIDEO

RUNNING TIME: 254 minutes

DIRECTED BY: Mike John

SLUTS: Tiffany Mynx, Charley Chase, London Keys, Rucca Page, Chayse Evans

I ask you, friends, is there any love in the world so wonderful as that which exists between men and horny fuck sluts? Indeed, there is not; indeed, there never was, or shall be, or could be. On the sixth day, when God was sweaty and tired and the holy bone was pitching a tent in the holy robes, in his divine wisdom He created the first fuck sluts, and truly was his creation almost perfect. Amen.

Oh, I can hear your objections now. "Wait just a minute, Mr. Max Peters porn-reviewer man! What do you mean, almost perfect? What is this blasphemy, this obscenity? Are you trying to say there is something out there better than horny fuck sluts?"

My friends, please. Be reasonable. Of course there's nothing better than fuck sluts, horny or otherwise; just look at Tiffany Mynx, here. If there is any experience available to mortal man that could top these open legs and spread lips, these big ole titties and this little butthole, I don't want to know what it is. But that doesn't mean that horny fuck sluts are perfect. You know what I'm talking about, friends, I know you do; no, not lopsided titties, or roast beef curtains that sway in the gentlest of breezes, or sloppy ass holes, or even buck teeth and lazy eyes.

There are fuck sluts out there with each

of these, and surely some few cursed with all five; but even these unfortunates are certainly worthy of a pity fuck.

No, friends, what's preying on my mind is that oldest and most sinister of evils, that which has haunted mankind since the earliest days of defiling women sexually on camera. I'm talking about cum dodging. No, my friends, unstop your ears and uncover your eyes! Cum dodging is real, and we must face this evil. We must face it, and we must overcum, for the sake of pornography, for the sake of our peace of mind, for the sake of our right hands.

How, you ask, is this thing possible? What kind of inconsiderate, ungrateful little whore could, after a group of well-meaning and well-hung men have put so much time and effort into stripping her of her dignity, repay them by dodging those hot, sticky ablutions aimed with such precision and skill at her face? Don't these bitches know that if every woman out there was a cowardly cum dodger it would mean the end of the human race? Hard questions, my friends, which I cannot answer.

But I do have good news; for a hero has arisen, to show uppity cum dodging bitches once and for all that this sort of behavior will not be tolerated. This brave man is Mike John and, armed with a camera and a crew of cock jockeys, he has made it his mission to make sure as many loads as possible end up where they belong: plastered on the faces of fuck sluts the world over. Please, friends, do your part; watch this film, and learn how you to can be part of the campaign against cum dodging.

RED LIGHT DISTRICT www.clubredlight.com

DIRECTED BY: MAESTRO CLAUDIO

SLUTS AND PUPPETS: KAPRI

STYLES, ALEX GONZ 25085

Originally from Trieste, Italy, Maestro Claudio is an international man of porn mystery. He is also a multi-talented, one-stop shopping pornography mega-man who directs sex scenes, shooting his own stills and video in his absolutely awesome hillside home just north of Chatsworth. His ultra-cool wife does the editing. Their work is exceptional.

MAESTRO CLAUDIO:

"She's answering an ad and wants to see the Buddha statue that I have there. She just loves this kind of stuff and she comes to the door and says, 'Hi, I called you this morning about the Buddah statue and I want to see it.' She sees the statue and says, 'Wow, it's beautiful, now let's talk about business.' Boom! You sit on the couch and ask how much it is. He says, '\$500.' You say, 'Oh, that's too much! All I have is \$200.' He says, 'Oh, I can't sell it to you for \$200.' You say, 'Well, maybe we can work something out.' Boom! DONE!

Claudio zooms in for a close-up on a smiling Kapri Styles and says in accented English, "You are happy you saw the face of THE MAESTRO!" Kapri is a smiler and a laugher. Her clothes are still on and she's already having a good time. She has a double-jointed, gangly physique that dances through space. It's like there's always music on. Kapri Styles looks like she is going to be a fun fuck.

KAPRI STYLES: "I was dancing in Atlanta at Magic City and I was in a lot of booty magazines. I was at the AVNs and TT Boy came up to me and was like, 'Are you in the industry? Do you want to be?' I was like, 'I don't know.' Then one of my friends, Sky Black, said that it wasn't that bad and I did my first scene at the AVNs. I thought it was going to be like four or five hours, but it was actually like 25 MINUTES! I was like, 'That's it?'"

Claudio shoots the pretty girls and then takes Kapri outside to tape the set-up, which entails shooting her ass walking up to the door several times until he gets the appropriate cheek action. And there is a lot of ass to be had! Kapri Styles is a sexual animal. That body was made for sex.

KAPRI: "You meet a lot of good people in the industry that you build relationships with. It's totally cool, like a family. I have a 'tenderoni.' Somebody I see, but he's totally understanding. You grow as a person in the porn industry. A lot of people just have no goals. If you're in it you have to do it and want something out of it. After doing porn you really don't look at sex the same. It's overrated, but when you're with that one person then it's something that's meaningful. You get that one-on-one."

Kapri turns out to be hyper-flexible enough to get her knees behind her head, which in or out of a porn scene is a stellar sexual circus move. The possibilities just DOUBLED! I'M FUCKING HOOKED!

COMBAT ZONE www.combatzone.net

DIRECTED BY: ZAK WYLDE

SLUTS AND PUPPETS:

CHASE TAYLOR, JENNER 25088

Chase Taylor grew up in the smalltown countryside in Washington State and found porn through a series of hookups on the internet. Porn is more than a way out, it's also ACTION that is an extreme departure from anything that came before. It's a ship to a different place that you can board and exit at will. It's a different fucking ride.

This is just Chase Taylor's fourth scene and, true to form, she has been hitting it hard this first visit. Like any skin machine, the human female pussy (as opposed to the male variety, which in most instances is a behavioral state rather than an actual physical apparatus with an extremely significant purpose) sometimes requires recovery time between workouts. Chase is encountering pussy fatigue this day, which is common after a rapid succession of porn poundings. This is porn life. This is porn girl reality.

CHASE: "These big
dicks are killin' me."
JENNER: "I'm not used
to big dicks either."
ZAK WYLDE: "Do you
have a boyfriend?"
CHASE: "Hell no."

CHASE: "Before I got into porn, I was a dancer in Seattle. But where I'm from in rural Washington, everybody drives around with Confederate flags on their trucks. I'm commuting from Washington State now but I want to move down here to pursue a career in porn. I'm basically the dirty, little girl next door. Innocent but really dirty. I love porn, I want to do it forever."

This pussy screams with personality. Biology loves variation and society frequently hates it, but the great genetic crap cashed out Chase Taylor some very striking scrambled eggs between the legs. Like any physical feature upon which judgement may be passed, it's all about what yanks your chain. This one's a beauty!

CHASE: "My pussy was kind of sore but I fucking toughed it up though. Before I got in porn I had never fucked a really big cock before. I was used to cocks that weren't that much over like seven inches."

Chase Taylor has an absolutely smokin' body. Augmentation of any sort would be unacceptable. Please don't get a tit job. PLEASE! 🐱

AT HOME WITH BETHANY SWEET

ARTICLE AND PHOTOS BY JEFF HUDIS

Seattle girl Bethany Sweet turned forty last November. Rather than lie like a fucking lying bitch about her age, like just about every other chick in porno, she revels in her MILF-ness and has decided to turn it into a party, which totally works for me. My mom used to say that when you lie then you have to have a really good memory, and it's about fucking time that porn girls come clean and stop bullshitting about their ages. It's not like we haven't figured out what the fuck is going on anyway. So, you're 28? YEAH RIGHT! Bethany Sweet is that girl who can party you under the table, fuck you raw, turn out to be your best hang, and have your back. There is no bullshit and no interpretation required. It's all right there. Extremely awesome. This is a very strong, large hearted, Pacific Northwesterner, Seattle born and raised. What time is it? TIME TO THROW DOWN!

FOX: When did you get your start in porn?

Well, I started stripping when I was eighteen. I did some contests and got into *Penthouse* by the time I was 22. That's when I started getting naked for magazines. I did all of that until I was 29, when I retired because I got pregnant and married and took five years off. Then when I broke up with my spouse I needed to pay the bills for my kids so I went back to modeling and people started offering me money. Finally I got a good offer for a blowjob scene from a guy who seemed really cool at Homegrown Video. That was 2004 and I was 35.

You were pretty wild sexually before then?

Oh, hell yeah!

Was it much of a transition going into boy/girl porn?

It would have been in my twenties, but in my thirties, no, I was real comfortable with it. There was no problem. I'd been a stripper and a model for so long it was just like a shift to the left.

For somebody to fuck you really good what does it take?

Eat my pussy until I cum and then pound the fuck out of me, and I kind of like mish. Pin my ankles behind my ears.

Do you like rougher sex?

No, you said what does it take to FUCK me. There's a difference.

We all know that.

So you like to be fucked hard.

Yeah, right after I cum I like to be fucked hard. That's the best. I cum clitorally but if you fuck me I'll still be cumming and it'll move into my vagina somehow.

Can you cum by working your clit while getting fucked?

Oh yeah, my favorite for that is girl on top, because I can rub my clit on his pubic bone. With that cock up in me pushing and then me rubbing my clit against it? Oh yeah!

What are your fetishes?

Lingerie! (laughs) I'm really into chicks. My favorite that I've been enjoying is two girls and a guy. I have a couple of girlfriends I do threesomes with and I love to sit on a guys face while I'm watching my girlfriend bob up and down on his cock. After he eats me and makes me cum then I'll go around to the back and lick her cum off his balls and dick and stuff. I love that. That shit is great and I love to share blowjobs with another woman.

Are girls or guys better at eating pussy?

Oh god, that's so unfair. It's not a gender issue, it's an individual thing I think. In general I think that girls are probably better because they aren't as rough. Guys can be really rough and they jam their fingers into you and you're like, "Dude, slow down man. A little goes a long way."

It's a lot more sensitive than guys realize.

I know. If you coax me into an orgasm I will cum so fucking hard, but if you try and push me into cumming then it's just like whatever. You have to relax into it.

You have both boy and girlfriends that you have sex with?

Oh yeah, but girls more than guys.

Why?

Guys are usually more interested in a relationship so guys I tend to turn down. Girls that I fuck are already friends and we already know what we're there for. I'm more interested in getting to know a guy and then do the sex. Unless it's my girlfriend's boyfriend, in which case—BAM let's fuck! I don't have to do his laundry. He ain't my man!

That's awesome. You are a super-liberated woman!

Super, and basically I just don't want to get tied down. I may be a super-liberated, independent woman but I believe that men are supposed to be men and women should be women because it creates balance in the world.

How are you about penis size?

I like sort of a normal sized cock. Not too small and not too big.

A lot of girls say that they are fine with six or seven inches because then you can actually fuck without getting hurt.

Totally. I am so down with that. Otherwise it isn't fun for me. With a normal sized cock he can pound me without hurting me and I can have a good time.

When you started doing porn how did it register with your family?

It's a don't ask, don't tell situation.

Tell me about your website.

It's bethanysweet.com. It has all of my favorite still pictures and one of the things that I'm happy about is that I'm starting to produce my own little movies and I'm going to start doing webcams too. I'm really happy about it. I did one for Naughty America a few months ago and I really liked it. It was awesome and fun and I really want to do more. It has tons and tons of still photos on there and I'm going to be adding more videos.

That's awesome. Where are you going from here?

Bigger and Better! I want everything. I want it all. 🐱

DIXIE TAKES CHARGE!

BRA SIZE:
36DD
MEASUREMENTS:
38-28-40

VITAL STATS:
This voluptuous, Latin flower was born just 19 short years ago in Taos, New Mexico. She currently lives with her mother and sister in ~~San Diego~~ *San Diego*.

LIKES:
To rebel against the "Fake American perception of beauty". Toothpick women do not fly in the latin culture. A real woman should have curves...and boy do I have them...don't you agree?"

DISLIKES:
"The brain-washed local boys who think beauty is a low number on a bathroom scale. You like what you see, right? So then call me!!!"

THE VAUGHNS

It's long been said that experience leads to wisdom. With that principle in mind, then, when it comes to making one's self moan manually it makes sense that mother knows best. When the mother—grandmother—in question is the super horny and seasoned sin-sation Vikki Vaughn, it should cum as no surprise at all. When caught toy-in-hand teasing her kitty by her daughter Veronica and her granddaughter Cherry, Vikki is startled but not at all scandalized. As she sees it, why shouldn't the secret of having toe-curling O's be passed down from generation to generation? After a clinching climax, Vikki tossed out a few time-tested tips on the art of self-loving then left her girls to have a go at getting off. Veronica really felt her momma's vibe and following her expert advice to the letter quickly rubbed one out like a pro. Impatiently awaiting her turn, third-generation tart Cherry was about to pop. Mimicking what she saw her nasty nana do with the dong, Cherry found the fruits of laboring a little between her legs to be juicy and feel delicious. It's clear that sluttness runs in the family. **PHOTOGRAPHY BY RICK GARCIA**
